## HEALTH INSURANCE

What am I supposed to know about health & insurance for this summer camp?

- ✦ **Health:** In order to ensure smooth operation of the summer camp within China, we have no choice but to require exclusion of any child whose health condition makes them unsuitable for this summer camp due to mental illness, serious chronic or contagious illness, advanced pregnancy, senility or infirmity.
- ✦ **Insurances:** We strongly recommend that you purchase travel insurance. This is optional and must be accomplished by you. Many travel insurance plans might have trip cancellation interruption coverage, cancellations or changes in flight, itineraries, schedules, steamers or other services, strikes, theft, sickness, weather, quarantine or other causes. Please check the insurance status with your insurance agent or feel free to contact us asking for travel insurance service.
